About MIT AOE

The MIT Academy of Engineering was established in the year 1999. It is permanently affiliated to the University of Pune and is approved and accredited by AICTE. The institute is accredited by NAAC with 'A' grade. The MIT Academy of Engineering offers University approved 7 UG, 3 PG & 1 PhD Programmes in Engineering. The College has modern, state-of-art infrastructure appropriate to conduct engineering education. The College has qualified and experienced faculty engaged in teaching and research. All departments are accredited by NBA.

About the Department

The Department has Ph.D. programme in pure and applied mathematics in the faculty of Science and Engineering. Six students have completed their Ph.D. in the Department. The department has successfully completed five Research projects funded by Department of Science and Technology, Government of India, Department of Atomic Energy, NBHM and RPS-University of Pune (UOP). The department has successfully organized five National Conferences on Engineering Applications Mathematics, two workshops on Research Methodology, three FDP, two STTPS and 26 guest lecturers with National and International Participants.

Theme of the Conference

In the pursuit of emphasizing the importance of long-established laws of science & principles of engineering as well as to discuss the multidisciplinary research, we are organizing the 6th National Conference on **'Multidisciplinary Research in Science and Engineering'** This Conference is an attempt to allow the researchers, students and faculties to interact, share and assimilate

knowledge on the scientific aspects of their interests. The basic objective is to promote & strengthen multidisciplinary research in science & engineering.

Call for papers

Papers related to the following areas are invited and not limited to

- Interdisciplinary Research in ETX, ENTC, Comp, IT, Mech, Chem, Civil etc
- Engineering Applications of Mathematics
- Modelling and Simulations
- Numerical Method and Analysis
- Fluid and solid Mechanics
- Integral transform
- Digital image Processing
- Mathematical Physics
- Nanotechnology & Nanosciences
- Condensed Matter Physics & Applications
- Atomic and Molecular Physics
- Quantum Mechanics
- Catalysis & Adsorption
- Engineering Appls of Chemistry
- Nanotechnology & Material Science
- Molecular Modelling

Paper Submission

Original research articles and papers are invited for oral presentation in the conference. Extended abstracts (not more than 350 words) along with full manuscript should be typed in MS Word/Latex with 12 point size. **Selected & Presented Papers will be published in a book of proceedings with ISBN Number.
